

August 8, 2011, Wow! Bill Embraced Affiliations

Dear WBEA Member and Friend:

This month's **HIGH FIVE** goes to Gwen Ridgway and Ruth Allin (William "Bill" Anderson's daughter and his sister) for organizing many of his photos and materials (going back to 1950) from his affiliations to business education organizations. Bill passed away in March 2011.

After the WBEA Summer Board meeting, my friends (Billie Miller and Darlean McClure) and I attended Bill's memorial service in Ventura, California. This well-respected, thoughtful, caring man meant much to his family, friends, and affiliate organizations. We heard short stories, watched videos, and saw displays related to the **Air Force** (where he received a Purple Heart), **UCLA basketball** (as a statistician when he used shorthand in the early years to record all assists, rebounds, and bad passes), the **Badminton Club** in his community, and the **American Aviation Historical Society**. He even owned a small **aircraft supply business**. We left with two boxes of magazines and materials related to **NBEA/WBEA**, **CBEA**, and **ISBE** (where he was the historian). What great memories! Bill left us much to focus on (really!). Thanks go out to Donna and Roger Anderson, Susie White, and Debbie Kalish, Tamra Davis for their help in arranging transfer of these memories.

What are your affiliation experiences? To volunteer some time with WBEA, e-mail me at wbeapresident@gmail.com.

FROM **ME** (ME is Membership) 4 YOU 2 DO: Network with someone and share a benefit about your affiliation to NBEA/WBEA/ISBE. Encourage that person to **affiliate** with us and help us increase our membership.

L.O.V.E. (**LEADERSHIP, ORGANIZATION, VISION, ENCOURAGEMENT**)

Roietta Fulgham, 2011-12 WBEA President, wbeapresident@gmail.com
